2010 Junior Dairy Goat Auction Project Agreement

1. The member agrees to have a suitable place and facilities for the doe.
2. The member will plan and follow a feeding program, which will provide for maximum growth and development.
3. The member agrees to sell the doe in the Humboldt County Junior Dairy Goat Auction. In case the family moves or the member is unable to carry out the project to the sale date, the member shall notify the committee not less than 30 days prior to the first day of the fair.
4. The member agrees to keep accurate and truthful records on the total cost of raising the doe separate from other dairy projects.
5. The member agrees to train their doe to lead, and fit her properly for the sale.
6. It is strongly advised by the committee that the member exhibit and compete at regional ADGA (American Dairy Goat Shows) with their project doe. It is the expectations of Breeder/Seller and potential Buyers to see these does exhibited in front of ADGA judges prior to the Humboldt County Fair.
7. The Humboldt County Junior Dairy Goat Auction Committee reserves the right to inspect your facilities or review your records at any time.

We the undersigned understand, and will abide by this project agreement and the Junior Dairy Goat Auction Committee Rules.
